1. Definitions

- **CCT:** The Champion of Champions Tour, a series of CS2 competitions
- **Participants:** Teams and players who participate in the CCT
- **Tournament Organizer (TO):** The organization responsible for organizing and operating the CCT event (CCT & GAM3RS_X)
- **Tournament Official:** Referees and other Officials involved in operating the CCT
- **CCT Partners or Partners:** Organizations that are involved with and supportive of the CCT
- **Regions:** The geographic areas that the CCT events are held in
- **CCT Events or Events:** Specific tournaments or competitions that make up the Tour
- **Counter-Strike 2 (CS2):** The game title utilised for the competition
- **Publisher's Rights:** The rights held by the game publisher (Valve) in relation to the CCT
- **Communication:** The means of communication used by the Tournament Officials, participants, and partners, such as email, chat, or voice communication
- **Prize Money:** The monetary rewards given to the winning teams of the CCT event
- **Match Broadcasting:** The broadcasting of CCT matches through online platforms such as streaming services
- **Rights:** The rights held by the CCT in relation to the broadcasting and promotion of CCT matches
- **Valve Corporation (Valve):** The publisher of Counter-Strike 2 (CS2).
- **Valve Regional Standings (VRS):** The official system for ranking the performance of Rosters published by Valve, provided for the respective regions and applied at the designated Invite Date
- **Valve Tournament Operating Requirements (TOR):** The official requirements to operate any event in the Counter-Strike 2 (CS2) ecosystem, created and operated by Valve.

2. General Information

This document outlines the rules that should at all times be followed when participating in the Champion of Champions Tour CS2. Failure to adhere to these rules may result in penalties.

Fair play, competitive integrity, and respect for the game are core pillars of CCT and will be upheld throughout the season in line with these rules.

2.1. Changes to the Rules

The Tournament Officials reserve the right to amend, update, or clarify any part of this rulebook at any time before or during the tournament if deemed reasonably necessary. This includes, but is not limited to, addressing unforeseen situations or ensuring competitive integrity.

Decisions made by Tournament Officials may override specific rules when required, based on their best judgement and the information available at the time.

2.2. Compliance

By participating in the tournament, all players and team staff unconditionally accept the rules outlined in this document. Furthermore, they acknowledge that any decision made by the Tournament Officials during the event may supersede the written regulations when necessary. **Whether or not the Team has executed a Team Participation Agreement ("TPA"), participation by the Team or any member of its player roster in a CCT Event shall constitute deemed acceptance of the terms of the TPA and this Rulebook by the Team and each participating player.** All participants acknowledge CCT's Privacy Policy, available at cctour.gg, which governs the processing of personal data in connection with the CCT.

Any concerns regarding the tournament integrity, including (but not limited to) suspected cheating, match-fixing, account sharing, etc may be submitted to support@cct.gg.

2.3. Valve Tournament Operating Requirements

The CCT is operated in compliance with [Valve's Tournament Operating Requirements](#) (Valve's TOR), according to regulations set out for Tier 2 Events.

The tournament format of each Regional Series may be adjusted at the discretion of the TO. The exact format and schedule will be communicated directly to invited teams prior to each competition.

As required by Valve's TOR, all Event Additional Information will be published on cctour.gg, with updates and official statements shared via [CCT's X account](#).

3. Tournament Information

3.1. Tournament Format

The format of the CCT Events is described below:

Season 3 Europe			
Event Stage	# Teams	Format	# of Winners
Play-Ins	16 Teams 14 Invited Teams 2 Open Qualifier Teams	4x GSL Groups + Single-Elimination Decider Bo3 Matches	4 teams advance to next stage
Group Stage	16 Teams 4 Qualified 12 Invited	Swiss Bo3 Matches	8 teams advance to next stage
Playoffs	16 Teams 8 Qualified 8 Invited	Single-Elimination Bracket Bo3 Matches	8 prize money winners

2026 Europe Series 1, 2, 3, 8, 10, 11, 13, 14			
Event Stage	# Teams	Format	# of Winners

Play-Ins	16 Teams 16 Invited Teams	4x GSL Groups + Single-Elimination Decider Bo3 Matches	4 teams advance to next stage
Group Stage	16 Teams 4 Qualified 12 Invited	Swiss Bo3 Matches	8 teams advance to next stage
Playoffs	16 Teams 8 Qualified 8 Invited	Single-Elimination Bracket Bo3 Matches	8 prize money winners

2026 Europe Series 4, 5, 6, 7, 9, 12, 15, 16			
Event Stage	# Teams	Format	# of Winners
Play-Ins	16 Teams 14 Invited Teams 2 Wildcard Teams (Finalists of CCT 2026 Challengers Europe)	4x GSL Groups + Single-Elimination Decider Bo3 Matches	4 teams advance to next stage
Group Stage	16 Teams 4 Qualified 12 Invited	Swiss Bo3 Matches	8 teams advance to next stage
Playoffs	16 Teams 8 Qualified 8 Invited	Single-Elimination Bracket Bo3 Matches	8 prize money winners

Season 3 North America			
Event Stage	# Teams	Format	# Winners
Group Stage	8 Teams 6 Invited Teams 2 Open Qualifier Teams	2x GSL Groups Bo3 Matches	4 teams advance to next stage
Playoffs	8 Teams 4 Qualified 4 Invited	Single-Elimination Bracket Bo3 Matches	8 prize money winners

Season 3 & 2026 South America			
Event Stage	# Teams	Format	# Winners
Group Stage	16 Teams 14 Invited Teams 2 Open Qualifier Teams	Swiss Bo3 Matches	8 teams advance to next stage
Playoffs	16 Teams 8 Qualified 8 Invited	Single-Elimination Bracket Bo3 Matches	8 prize money winners

2026 Contenders Europe 1, 2, 3 & 4			
Event Stage	# Teams	Format	# of Winners

Main Event	16 Teams 16 Open Qualifier Teams	Double-Elimination Bracket Bo3 Matches	3 prize money winners
------------	-------------------------------------	--	-----------------------

2026 Contenders Europe 5, 6, 7, 8, 9 & 10			
Event Stage	# Teams	Format	# of Winners
Main Event	16 Teams 14 Invited Teams 2 Open Qualifier Teams	Double-Elimination Bracket Bo3 Matches	3 prize money winners

2026 Challengers Europe			
Event Stage	# Teams	Format	# of Winners
Main Event	16 Teams 14 Invited Teams 2 Wildcard Teams (Finalists of CCT 2026 Contenders Europe 2 to 9)	Double-Elimination Bracket Bo3 Matches	3 prize money winners

2026 Challengers South America			
Event Stage	# Teams	Format	# of Winners
Main Event	16 Teams 14 Invited Teams 2 Open Qualifier Teams	Double-Elimination Bracket Bo3 Matches	3 prize money winners

Global Finals 2026			
Event Stage	# Teams	Format	# of Winners
Main Event	8 Teams 6 Invited Teams 2 Wildcard Teams	Double-Elimination Bracket Bo3 Matches (Grand Final Bo5)	8 prize money winners

CCT reserves the right to add Open Qualifiers to any Champion of Champions Tour Event by announcing it on cctour.gg with the Event Additional Information, as per the Valve TOR.

3.2. VRS Invites

CCT Event Region	VRS Region & Sub-Lists	Starting Rank	# Slots
Season 3 Europe Series	Europe VRS	Starting from Rank 9	34 invites
	Open Qualifier Winners	-	2 invites
2026 Europe Series 1, 2, 3, 8, 10, 11, 13, 14	Europe VRS	Starting from Rank 9	36 invites

2026 Europe Series 4, 5, 6, 7, 9, 12, 15, 16	Europe VRS	Starting from Rank 9	34 invites
	Wildcard Teams (Finalists of CCT 2026 Challengers Europe)	-	2 invites
Season 3 North America Series	Americas VRS with added country filter: North America (see Annex 1)	Starting from Rank 1	11 invites
	Open Qualifier Winners	-	1 invites
Season 3 & 2026 South America Series	Americas VRS with country filter: South America (see Annex 1)	Starting from Rank 1	22 invites
	Open Qualifier Winners	-	2 invites
2026 Contenders Europe 1, 2, 3 & 4	Open Qualifier Winners	-	16 Slots
2026 Contenders Europe 5, 6, 7, 8, 9 & 10	Europe VRS	Starting from Rank 120	14 invites
	Open Qualifier Winners	-	2 Slots
2026 Challengers Europe	Europe VRS	Starting from Rank 100	14 invites
	Wildcard Teams (Finalists of CCT 2026 Contenders Europe 2 to 9)	-	2 invites
2026 Challengers South America	Americas VRS with country filter: South America (see Annex 1)	Starting from Rank 16	14 Slots
	Open Qualifier Winners	-	2 Slots

Global Finals 2026	Global VRS	Starting from Rank 13	6 Slots
	Wildcard Slots (Winner of PCC #1 & #2)	-	2 Invites

If the number of eligible VRS Teams is lower than the total number of Direct VRS Invite slots, the CCT reserves the right to reallocate any unfilled slot(s) to Open Qualifiers. This reallocation may apply to any Event and will be announced on [CCT's X Account](#) prior to the event.

3.3. Invite Date

The Invite Date for each event will be announced individually, with a minimum lead time of two months prior to the event start date.

- Invited teams will have 72 hours to confirm participation. Failure to respond within this window will be considered a declined invitation, unless an exception is granted by Tournament Officials.
- Teams are responsible for keeping the Tournament Officials informed of any changes to primary contact details to ensure timely delivery of invites.

In line with Valve's Tournament Operating Requirements, the Invite Date, Valve-Required Submission (VRS) Dates, and Invite Breakdown will be published on [cctour.gg](#), along with the event's Additional Information.

3.4. Team Replacements

In the event a team withdraws or is unable to participate, CCT will prioritize replacing the team using the same invite method and filter originally applied to the slot:

- Invite VRS - The next highest-ranked eligible team, using the same Invite VRS filter, will be selected.
- Qualified by Open Qualifier - The team that lost to the withdrawn team in the most recent qualifier may be invited to replace them.
- Wildcard - If the slot was originally a Wildcard and no direct replacement is available, CCT reserves the right to convert the Wildcard into an Invite VRS slot, applying the announced Invite VRS filters.

If the withdrawn team did not qualify via Open Qualifier and no eligible Invite VRS team is available, the following logic will apply:

- CCT may nominate a team from the most recent Open Qualifier (if one was held).
- In cases where multiple teams are eligible or in contention, CCT reserves the right to:
 - Schedule additional decider matches between next-in-line teams, or

- Follow the original qualifier bracket structure to determine the appropriate replacement.

CCT reserves the right to deny or cancel any replacement if it is deemed to compromise the competitive integrity, schedule, or flow of the event. In such cases, the original team will remain in the bracket, and any unplayed matches will be forfeited until their official elimination.

Applicable rules for CCT Global Finals 2026:

- If a team withdrawal occurs more than 20 days prior to the first stage of the Event start date the team may be replaced by the next highest-ranked team available, using the same filters and Invite VRS.
- If the team withdrawal occurs less than 20 days prior to the first stage of the Event start date the team may be replaced by the next highest-ranked team available in the Event host region VRS (Europe).
- CCT reserves the right to deny any team replacement if it is deemed to disrupt the competitive flow, schedule, or integrity of the event. In such cases, the original team will remain in the bracket and all remaining matches will be forfeited until the team is officially eliminated from the tournament.

3.5. Wildcard Slots

Wildcard eligibility will be confirmed according to the Valve Tournament Operation Requirements. In case the Wildcard Slot will not be utilized, we may invite the next highest ranked Rosters from the VRS lists already announced for the Tournament.

The assignment of any Wildcard Invite is at the sole discretion of CCT, regardless of VRS ranking or prior participation.

Applicable rules for CCT Global Finals 2026:

- Each Wildcard Slot is directly tied to the winner of its respective Parken Challenger Championship (#1 & #2).
- In the event of a decline, CCT reserves the right to:
 - Reallocate the slot in line with Valve Tournament Operation Requirements, or
 - Invite the next highest-ranked eligible roster from the VRS lists already announced for the event.
- The assignment of any Wildcard Invite is at the sole discretion of CCT, regardless of VRS ranking or prior participation. Wildcard eligibility will be confirmed according to the Valve Tournament Operation Requirements.

3.6. Open Qualifier Slots

Any team that qualifies through Open Qualifiers must be fully eligible to compete in the regional event, in line with Valve's Tournament Operating Requirements and the CCT Rulebook. This includes:

1. The core roster, for all matches, must currently reside in the region they are competing in.
2. The core roster used to qualify (at least 3 of the 5 players) must be maintained for all starting matches of the regional event.
3. Any changes to the qualified roster must be pre-approved by Tournament Officials.

Teams that don't meet these requirements may be disqualified or replaced without further notice.

3.7. Seed VRS

The Seed VRS will be announced on a per event basis, with the Event Additional Information, on cctour.gg.

3.8. Regions

CCT Series will be held for the following regions:

- South America
- Europe
- North America

For the specific countries within each region please check Annex 1.

3.9. Team Location

Teams are required to remain located within the Event Region for the entire duration of the competition to ensure fair conditions and consistent ping for all participants.

For clarity, all players participating in the CCT Event must be based in the regions listed in Annex 1 for every match. CCT may, at its sole discretion, approve exceptions to this residency requirement following a good-faith review of a team's specific circumstances.

3.10. Publisher's Rights

The Publisher (Valve) reserves the right to remove any player or team from the tournament for any reason. In such a case, the player or team will be disqualified.

3.11. Communication

All official communication between participants and the Tournament Organizer will take place via Discord. A dedicated server will be used to coordinate with team captains, managers, and other relevant team members from all participating teams.

- Teams are responsible for actively monitoring Discord for match updates, scheduling, and tournament announcements.
- Each team must ensure at least one representative has joined the official Discord server prior to their first CCT match.

- CCT reserves the right to remove any participant from the Discord server for violations of tournament rules or disruptive behavior.

Join the [CCT Season 3 Discord](#) Server here.

Join the [CCT 2026 Contenders Discord](#) Server here.

3.12. Prize Money

The prize pool and its distribution for the CCT Series is described below.

Regional Series (Per Series) - Season 3

Placement	Season 3 Europe	Season 3 South America	Season 3 North America
1 st Place	\$22,000	\$10,000	\$5,000
2 nd Place	\$10,000	\$4,000	\$2,000
3 rd Place	\$5,000	\$1,500	\$1,000
4 th Place	\$5,000	\$1,500	\$1,000
5 th -8 th Place	\$2,000	\$750	\$250
Total	\$50,000	\$20,000	\$10,000

Regional Series (Per Series) - 2026

Placement	2026 Europe	2026 South America	Challengers Europe	Contenders Europe 1 + 10	Contenders Europe 2 to 8	Challengers South America
1 st Place	\$10,000	\$7,500	\$3,000 + Slot on CCT 2026 Europe	\$1,250	\$1,250 + Slot on CCT 2026 Challengers Europe	\$1,250
2 nd Place	\$5,000	\$4,000	\$1,500 + Slot on CCT 2026 Europe	\$750	\$750 + Slot on CCT 2026 Challengers Europe	\$750
3 rd Place	\$2,500	\$1,750	\$500	\$500	\$500	\$500
4 th Place	\$2,500	\$1,750	-	-	-	-
5 th -8 th Place	\$1,250	-	-	-	-	-
Total	\$25,000	\$15,000	\$5,000 + 2x Slot on CCT 2026 Europe	\$2,500	\$2,500 + 2x Slot on CCT 2026 Challengers Europe	\$2,500

Global Finals

Placement	Total Prize Pool		Club Share	Player Share
-----------	------------------	--	------------	--------------

1st	\$30,000		\$15,000	\$15,000
2nd	\$17,500		\$10,000	\$7,500
3rd	\$10,000		\$5,000	\$5,000
4th	\$7,500		\$4,000	\$3,500
5th	\$3,000		\$3,000	\$0
6th	\$3,000		\$3,000	\$0
7th	\$2,000		\$2,000	\$0
8th	\$2,000		\$2,000	\$0
Total	\$75,000		\$44,000	\$31,000

All teams are required to review and sign Team Participation Agreements (TPA) in order to be eligible to participate in the CCT and to receive CCT prize payments.

Prize money will be paid out after receipt of a valid invoice, within the payment tranche following the conclusion of the respective CCT Series, as described in the Team Participation Agreement, following the attached table:

Quarterly Payment Run	Events Finishing	Invoice Receipt Period Opener	Invoice Receipt Period Closed	Payment Terms Deadline
Payment Cycle Q1-Y	Nov 1, Y-1 to Jan 31, Y	01.02.Y	15.02.Y	01.03.Y
Payment Cycle Q2-Y	Feb 1, Y to April 30, Y	01.05.Y	15.05.Y	01.06.Y
Payment Cycle Q3-Y	May 1 to July 31, Y	01.08.Y	05.08.Y	01.09.Y
Payment Cycle Q4-Y	Aug 1 to Oct 31, Y	01.11.Y	15.11.Y	01.12.Y

Participants are obligated to provide a valid invoice as designated by Tournament Officials, in order to receive prize money. Failure to provide a valid invoice may result in delayed receipt of prize money funds. Invoice Guidelines and clauses are detailed on the Team Participation Agreement.

When a team organisation ceases to exist, individual team members that are owed prize money may claim their prize money up to three (3) years following the conclusion of the respective event. In this case, the roster must designate one (1) representative to act on the group's behalf.

For any questions related to Payment Cycles or Prize-Moneys please contact prizemoney@cct.gg.

3.12. Match Broadcasting

3.12.1. Rights

All of the broadcasting rights of CCT are owned by GRID eSports GmbH.
This includes, but is not limited to: Broadcast streams, video streams, podcast streams, radio streams, GOTV, replays, demos, and TV Broadcasts.

By participating in the CCT, each team and team member consents that their likeness (logo, voice, image, name, nickname, etc) are recorded and broadcasted live and on demand on streaming platforms designated by the organizer.

The CCT retains the rights to utilizing all CCT footage at its own discretion.

3.12.2. Waiving these Rights

GRID and its partners have the right to award broadcasting rights for one or multiple matches to a third party. Participants themselves are not allowed to stream or broadcast their matches.

3.12.3. Protection of Rights

The tournament organizer has the right to protect its own products created during or after the tournament from rebroadcast or unauthorized usage in post-production.

3.12.4. Teams' Compliance

Teams may not refuse to have their matches broadcasted by GRID authorized broadcasts, nor can they choose in what manner the match will be broadcasted. The broadcast can only be rejected by the Tournament Officials. The teams agree to cooperate so that the broadcasting of matches can take place.

3.13. Betting on Matches

No players, team managers, staff, or management of attending organizations can place any bets on or be involved in betting or gambling, associate with betters or gamblers, or provide any third party with information that may assist betting or gambling, either directly or indirectly for any CCT matches or the CCT tournament series.

3.14. Roster Eligibility

If a roster is unable to participate, fails to respond within 72 hours of receipt of an invite or chooses to decline a direct VRS Invite, the invite will be extended to the next roster in order of the VRS, with respective filters applied (if any), until all tournament slots are filled.

Teams that accept a VRS Invite must maintain at least three (3) out of five (5) players from the VRS Core Roster used to secure the invite. This requirement applies to all matches in the tournament. Failure to meet this condition may result in the team being replaced or disqualified at the discretion of Tournament Officials.

3.15. Team Commitment & Withdrawals

Once a team has confirmed its participation in a CCT event, CCT reserves the right to deny any withdrawal requests. Any team attempting to withdraw before being officially eliminated from the tournament may be subject to automatic match forfeits.

In accordance with Valve's TOR, forfeiting a match may result in the loss of VRS Points. CCT bears no responsibility for any penalties, point deductions, or eligibility consequences arising from forfeits, as these are enforced by Valve.

Teams are expected to fulfill their tournament commitments in full once participation is confirmed. Forfeiting matches or withdrawing may also impact a team's eligibility for future CCT invitations.

4. Participation in CCT

4.1. Age

All participants must have reached the age of 16 to be eligible. To participate in the CCT, the team must provide player roster information including date of birth as set out in the Team Roster Submission and Team Participation Agreement.

4.2. Game Accounts

Players must register one Steam account per player and submit their SteamIDs to the Tournament Officials before the tournament. Participants may only use Steam accounts during the tournament that were registered in this manner. In case of account issues, Participants agree to inform Tournament Officials ahead of time.

4.3 Invite Exceptions

Pursuant to Section 5.4 of Valve's [Tournament Operation Requirements](#) ("TOR"), CCT may decline to invite or may disqualify participants from CCT Events for misconduct, cheating infractions, being flagged by esports bodies as a matchmaking fix risk, or other integrity or compliance issues. The grounds on which CCT may exercise this right, and the process by which it does so, are set out in Section 4.3 as follows:

- **Invite Exception 1:** Rulebook violations and/or misconduct.
- **Invite Exception 2:** Team and/or player(s) are subject to a ban for integrity concerns by third party esports bodies (such as ESIC); or the team is subject to an active integrity flag which identifies a potential risk to the integrity of the competition by third party esports bodies or Valve, or the team is subject to a ban or restriction imposed by Valve.
- **Invite Exception 3:** The core team roster (at least 3 players) differs from the roster published in the designated version of the VRS used on the Invite Date.
- **Invite Exception 4:** One organization fields multiple rosters that are eligible to receive an invite according to the designated version of the VRS on the Invite Date, e.g. a Main and an Academy roster. In this case, the organisation may choose one (1) roster to accept the invite.
- **Invite Exception 5:** One or more players, including stand-ins, is under 16 years old.
- **Invite Exception 6:** The Team is subject to an integrity-based restriction as per section 4.3.1.
- **Invite Exception 7:** The team submits a roster that includes a player with an active suspension.
- **Invite Exception 8:** The Team has not signed or withdrawn from the TPA by written notice to CCT under Section 4.3.2 of this Rulebook.

Team invites that are withheld for aforementioned provisions will be publicly shared, at the time of their decision in accordance with the Valve Tournament Operation Requirements

4.3.1 Integrity-Based Participation Restrictions

In addition to the criteria listed above, CCT may withhold, revoke, or suspend a team's participation in a CCT Event where an Integrity Assessment determines that the team presents a material risk to competitive integrity.

For the purposes of this Section 4.3.1, all Integrity Assessments, risk evaluations, and related monitoring are conducted by the GRID eSports integrity function ("**GRID Integrity**") on behalf of the CCT. An Integrity Assessment under this Section is an evaluation of competitive integrity risk only. It does not constitute an allegation of wrongdoing, a finding of fact regarding the commission of any criminal offence or civil wrong, or a determination of individual culpability. No decision under this section shall be construed as implying guilt or wrongdoing on the part of any team, player, or individual. CCT and GRID Integrity act in good faith and in the legitimate interest of protecting the competitive integrity of the CCT.

(a) Triggering Event

An Integrity Assessment may be initiated where a Triggering Event occurs as follows:

A suspicious betting market relating to a match covered by GRID (in CCT or any other GRID-partnered event) is reported by:

- A licensed betting operator;
- A betting supplier;
- A recognised integrity body; or
- GRID Integrity's integrity monitoring systems;

provided that the reporting party is an authorised and recognised integrity source, as reasonably determined by GRID Integrity acting in good faith (which may include, without limitation, licensed betting operators, esports integrity bodies such as ESIC, Valve, and law enforcement agencies).

NB: GRID and CCT does not consent or endorse the reliance on the application of any Invite Exception by any third party organiser, publisher or person based on the Invite Exceptions made by CCT. Any such application is made independently, and GRID and CCT shall have no liability to any team, player, or related third party arising from it.

(b) Remoteness and Corroboration

Following a triggering event, GRID Integrity shall assess whether:

- The suspicious activity is isolated to a single operator; or
- Similar alerts or suspicious activity are reported by at least one additional recognised integrity source.

Corroborated suspicious activity may support a finding of elevated integrity risk.

(c) Supporting Factors

In determining whether participation should be restricted, CCT may consider additional supporting elements, including but not limited to:

- Historical integrity reports involving the team or its players;
- Evidence of betting by players on their own matches;
- Prior blacklisting or suspension by recognised betting or integrity bodies;
- Credible internal or public reports from opposing teams;
- Any other factor reasonably relevant to assessing competitive integrity risk.

These elements shall not be applied mechanically or cumulatively but shall be assessed holistically and proportionately where GRID Integrity shall act in good faith.

(d) Possible Outcomes

Following the Integrity Assessment from GRID Integrity and where the above criteria are met, CCT shall then act reasonably, in good faith, and in compliance with Valve's Tournament Operation Requirements and the TPA, as follows:

- During the invite phase: The Team will not receive an invite;
- After an invite was extended: Revoke the Team's invite prior to Event start;
- Invite Exception 6:
 - Suspend future invites for the Team, referring them to a recognised integrity partner for further investigation;
 - Remove (disqualify) the team from the current Event, where the Team will forfeit all matches;
 - Teams have the opportunity to reduce their suspension by 6 months, by attending Integrity Training Workshops (details to follow).

(e) Suspensions

Invite Exception	Description	Duration of Suspension
Invite Exception 1	Rulebook Violation or Misconduct	One (1) CCT Event
Invite Exception 2	Third Party Integrity Flag	Until the Third Party Flag is lifted
Invite Exception 3	Core Roster	One (1) CCT Event
Invite Exception 4	Multiple Rosters	One (1) CCT Event
Invite Exception 5	Under 16 y/o	One (1) CCT Event, or until the Player turns 16.
Invite Exception 6	Integrity Restriction	18 Months

Invite Exception 7	Active Player Suspension	One (1) CCT Event
Invite Exception 8	TPA	One (1) CCT event or until the TPA is signed.

Suspensions apply to CCT Events only and to players that actively played in the respective Match(es) which triggered an Integrity Assessment.

Individual team members who were part of the playing roster that was suspended, may not participate in CCT with the same or different roster until the suspension expires.

(f) Publication

In line with TOR, CCT shall publicly communicate that an invite has been withheld or revoked, referencing the applicable Invite Exception..

[CCT - Invite Exceptions \(Public\)](#)

(g) Standard and Proportionality - Invite Exception 6

The publication and application of the Invite Exception 6 is made without making any allegation of wrongdoing, without implying any guilt, and is made only to the extent reasonably necessary for tournament transparency and compliance with the Valve Tournament Operation Requirements. All decisions by GRID Integrity are based on a balance of probabilities based on the available information indicates a material competitive integrity risk justifying the restriction, following a documented assessment by GRID Integrity.

(h) Procedural Fairness and Interim Measures

CCT may impose a suspension pending completion of the assessment based on the risk assessment and under guidance from GRID Integrity. Reinstatement of a team shall depend on whether the circumstances set out in this 4.3 continue or are abated.

Where an Invite Exception 6 suspension of 18 months has been applied, the Team may, no earlier than 6 months from the date of the suspension, submit written representations to CCT regarding the continued application of the suspension. Upon receipt of such submissions, CCT shall, together with a recognised integrity partner, reassess whether the Team continues to present a material risk to competitive integrity. CCT shall notify the Team of its determination within 30 days of receipt of the submissions. For the avoidance of doubt, this reassessment does not constitute an appeal, and CCT retains sole discretion over the outcome.

(i) Contacts

If you would like to reach out to CCT regarding this section 4.3, please contact: integrity@cct.gg

4.3.2 Team Participation Agreement and Deemed Acceptance

A Team's participation in any CCT Event is conditional upon the Team having executed a valid Team Participation Agreement ("TPA") for the current CCT season. The Team is responsible for ensuring that all Roster members and team staff comply with the terms of the TPA, the Rulebook, and the integrity framework.

Whether or not the TPA has been executed, participation by the Team or any member of its player roster in a CCT Event shall constitute deemed acceptance of the terms of the TPA and this Rulebook by the Team and each participating player. The Team Manager is responsible for ensuring that each player is made aware of, and understands, the terms of the TPA and the Rulebook prior to participation.

(a) Withdrawal

A Team may withdraw from the TPA at any time by providing written notice to CCT. Email shall suffice. Upon withdrawal, an invite exception shall apply to the Team for the remainder of the current CCT season (Invite Exception 7).

4.4. Team Rosters

The total number of team members must not exceed 8 (including 5 players, 1 stand-in, a team manager, and a coach). All of the teams must fill out the form provided by TO.

- No player transfers between teams will be allowed within the same Event.
- If a player participated in a single match for one team during a CCT Series, they will not be eligible to play for a different participating team in the same Series.

Any changes to the team must be approved by Tournament Officials before any upcoming match in a CCT Event. This includes, but is not limited to:

- Adding or removing players
- Changing the team name or team logo

4.5. Roster Updates in between CCT Events

Teams are allowed to make as many substitutes as they wish in between separate CCT events, while complying with the VRS Core Roster Rule. The teams must submit the updated roster to the TO as soon as possible. The Officials might reconsider team invites should the roster change be significant.

4.6. Stand-in Rules

Each team is permitted to register one (1) stand-in player for the event. The team coach may also serve as a stand-in, subject to all applicable rules outlined herein.

Stand-ins are eligible only if they have not participated for another team in the same Event. A stand-in must be approved by Tournament Officials at least 15 minutes prior to the start of the respective match.

All stand-ins must be officially registered with the team roster at least twenty four (24) hours before participating in a match. Stand-ins may be registered either before the start of an Event or during the series, provided the 24-Hours notice period is respected.

Once a stand-in has played for a team in an Event, they are locked to that team for the duration of that series.

Roster changes, including the use of stand-ins, are not permitted mid-map (Map is ongoing). However, in-between maps roster changes are allowed.

The use of a stand-in must not violate the VRS Core Roster requirement. Each team must field a minimum of three (3) out of five (5) players from the VRS Core Roster associated with their VRS Invite in every match. Use of a stand-in that causes a team to fall below this threshold is not permitted and will result in a technical loss.

4.7. Multiple Contracts

Players must not have active playing contracts with two or more team organisations participating in an Event, written or oral.

If such a contract or agreement is found to be in place, the CCT reserves the right to suspend the player from participating in the Event until the contractual situation is resolved and approved by Tournament Officials. If the situation cannot be resolved, the CCT reserves the right to remove the player or team(s) in question.

Each organization and its legal entity may register only one team per Event. It is not permitted for a team to participate in a tournament, if another roster of the same organization has accepted an invite to a CCT Event.

4.8. Coaches

Teams are allowed to designate one individual as a coach during matches. The designated coach may step in as a stand-in in accordance with Rule 4.6, and must fully comply with all eligibility and registration requirements outlined therein. The coach will be considered a player and will follow any rules accordingly.

4.8.1. Coach Communication during match

To preserve competitive integrity Coaches may support their team during matches, but must do so within the limits set by CCT:

- Coaches may not be connected to the game server, but are allowed to join the team's voice communication channel (e.g. TeamSpeak).
- Communication is permitted during all moments of the game, provided it takes place on the official TeamSpeak. Any private communication channels, including voice or text (e.g., Discord, messaging apps), are strictly prohibited.

- All TeamSpeak sessions are recorded and stored for potential review.
- All communication must be directly related to the ongoing match and based solely on information available from the game server.
- If abuse is detected, CCT reserves the right to revoke communication privileges and apply disciplinary actions.

Abuse includes, but is not limited to:

- Providing information not obtainable through normal in-game play.
- Using third-party tools, livestreams, or external data sources to gain an advantage.
- Communicating with players outside the official TeamSpeak channel in any form (voice, text, or otherwise).
- Disruptive or excessive communication that interferes with fair play.

If communication privileges are revoked, coaches must remain muted at all times during the match, except during Tactical Pauses.

Failure to comply with these restrictions or abuse of it may result in the following disciplinary actions:

- Each instance of Coach's failure to comply with 4.8.1. will be sanctioned with at least 1 Minor Warning for breach of Rule "4.8.1 - Coach Communication During Match".
- Each egregious violation of to comply with 4.8.1. will be sanctioned with 1 Major Warning for breach of Rule "4.8.1 - Coach Communication During Match", at the discretion of the TO.
- Additional warnings or sanctions, as event disqualification, may be issued based on the severity or intent of the breach.

4.8.2. Coach Broadcast

Players may provide their coach with a private match stream for tactical purposes. This stream must:

- Be strictly limited to the team's staff
- Not be broadcasted, shared, or accessed by unauthorized individuals

Unauthorized access or distribution of the stream is a serious breach and may result in penalties, including disqualification from the event.

4.9. Nicknames

Players are obligated to use nicknames their team representative left in the form provided by tournament organizers and are no longer able to change it without an approval from the TO, failure to do so may result in penalties. Player names must not include mentioning of any sponsors or language that is not approved by Tournament Officials.

4.10. Team Names

Team names must align with those listed on recognized public platforms such as HLTV and Liquipedia.

- Any deviations from these names require prior approval from CCT.
- Inclusion of sponsor names in team titles is strictly prohibited unless explicitly authorized by CCT.
- Team names must not contain any racist, sexist, discriminatory, or otherwise offensive language.

CCT reserves the right to approve, reject, or demand changes to any team name at its sole discretion.

4.11. Team Photos and Logotypes

Each team must provide player photos and a team logo with a transparent background to be used during the broadcast.

Dimensions:

- Player Photos: 500×500 PNG
- Team Logo: 500×500 and 120×120 SVG format

CCT reserves the right to reject any Player Photo or Team Logo that does not meet the specified requirements, violates tournament rules, or is deemed inappropriate by common standards.

4.12. Media Obligations

Teams are obligated to comply with any reasonable media requests the CCT may have, in order to uphold or raise the standards of the broadcast, tournament promotion and marketing. By participating, teams accept to promote the tournament itself on their team and personal pages, including social media.

4.12.1 Camera Obligations

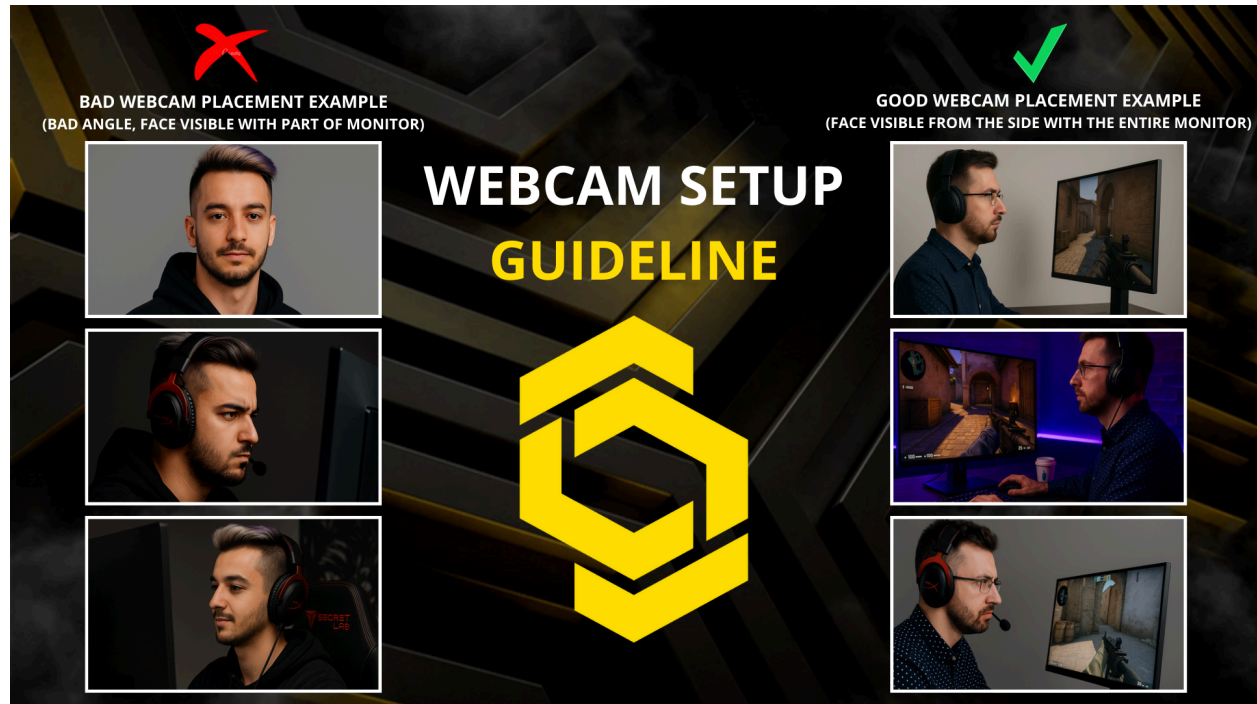

For each Series, upon request from the CCT, each player must provide a clean, unobstructed camera feed for the broadcast. The following apply:

- Players must activate their cameras at least twenty (20) minutes before the scheduled match starts.
- Cameras may be turned off between maps, but must be reactivated no later than five (5) minutes before the next map begins.
- Smoking or vaping on camera is strictly prohibited.

Failure to comply with camera obligations may result in verbal warnings, fines, or a technical loss.

4.12.2 Camera Setup Guidelines

All players must follow the Camera Setup Guidelines provided by CCT unless otherwise approved. Before each stage where camera use is mandatory, CCT will distribute the latest guidelines. Standard expectations are illustrated in the example image below:

Deviations must be pre-approved by CCT.

4.12.3 Integrity Requirements

For integrity purposes, CCT reserves the right to require players to have their cameras on during a match, even if the footage is not used in the broadcast. In cases where a team refuses to activate private cameras (used solely for integrity, not for broadcast), CCT reserves the right to award a technical loss on the grounds of an integrity breach.

4.12.4 Penalties

Failure to adhere to any of the Camera Obligations, Setup Guidelines or Integrity Requirements can lead to penalties:

- 1-2 members of the lineup without camera: 5% of the prize money winnings
- 3-4 members of the lineup without camera: 15% of the prize money winnings
- 5-6 members of the line-up without camera: 15% of the prize money winnings and a Major warning

Additional Penalties:

- In cases where a team refuses to activate private cameras (used solely for integrity, not for broadcast), CCT reserves the right to award a technical loss on the grounds of an integrity breach.
- While on camera smoking in any sort, including vape, is strictly forbidden. This can lead to a Verbal Warning, Fine or a Technical Loss.

Please refer to section 3 of this Rulebook for more details on warnings and other penalties.

The above stated rule is only valid if Tournament Officials specified it on the CCT Discord or by email.

4.13. Matches

4.13.1. Punctuality

All matches in CCT shall start as confirmed by the tournament Officials in the Tournaments' Discord channel. The team captain (or other team representative responsible for map veto) must be ready to start the map veto process 30 minutes before the scheduled match starting time. All participants of a match shall be connected to the server and ready to start at the latest 10 minutes before the match's scheduled start time. There will be a 15 minute break between maps in a series, and at least 15 minutes break between separate series in case any delays in the schedule should occur, unless approved otherwise by the Tournament Officials.

Any scheduling issues or delays must be communicated promptly to Tournament Officials. CCT reserves the right to enforce the rulebook strictly and deny any schedule change requests.

4.13.2. Delaying the Match

Teams are expected to be ready to begin their matches at the scheduled start time. Any delay of up to fifteen (15) minutes may result in warnings or penalties at the discretion of Tournament Officials.

Delays beyond this threshold will result in technical losses, depending on the match format:

- Best-of-1 (BO1): A delay exceeding 15 minutes will result in a technical loss (13-0 score) for the delaying team.
- Best-of-3 (BO3):
 - After 15 minutes: the first map will be declared a technical loss (13-0 score). If this results in a 2-0 score, the series will be concluded.
 - After 30 minutes: the entire series will be forfeited (2 Map losses awarded).
- Best-of-5 (BO5):
 - After 15 minutes: Map 1 is forfeited (13-0 Loss).
 - After 30 minutes: Map 2 is forfeited (13-0 Loss).
 - After 45 minutes: Map 3 is forfeited, resulting in 3 map losses being awarded and conclusion of the match.

All delays must be reported to Tournament Officials via the official Discord channel. CCT reserves the right to allow or deny extensions on the above threshold and to apply additional sanctions in the event of repeated infractions or integrity concerns.

4.13.3 Technical Problems during the Match

- If the player is responsive (switching to a backup connection, runs into anticheat issues, has a blackout that is expected to be short-term or there's a backup grid to be switched to, is able to travel to a new location like PC cafe within the time limit):
 - Allow up to 30 minutes of tech break for the player to reconnect. This technical pause time is allocated per team for the entire match, regardless of the number of incidents or players affected.
 - If the player is still unable to reconnect after 30 minutes, the match may proceed 4v5 only if:
 - The team has scored 10 or more rounds, or
 - The team is leading by 6 or more rounds, or
 - If the above conditions are not met, but it is determined - based on objective game state factors (example: current score, economy, momentum) - that the team still has a realistic competitive chance, the Tournament Officials may allow the match to proceed 4v5.
 - If none of the above apply, the map is recorded as a technical loss.
- If the player is unresponsive (no communication can be established, no evidence of their PC being operational, no estimation of the time required to resolve the issue):
 - Allow up to 15 minutes of tech break for the player to reconnect. This time also contributes to the total technical pause limit per team for the match.
 - If the player is still unable to reconnect after 15 minutes, the match may proceed 4v5 only if:
 - The team has scored 10 or more rounds, or
 - The team is leading by 6 or more rounds, or
 - If the above conditions are not met, but it is determined - based on objective game state factors (example: current score, economy, momentum) - that the team still has a realistic competitive chance, the Tournament Officials may allow the match to proceed 4v5.
 - If none of the above apply, the map is recorded as a technical loss.

4.13.4. Restarting a map

In limited cases where a player disconnects early in a map, a full map restart may be granted to allow for a replacement. The following conditions must all be met:

- No more than five (5) rounds have been played.
- The impacted team is the only team to have won any rounds.
- The replacement player follows rules 4.6. Stand-in Rules and all applicable VRS Core rules.
- The team must request the restart within the first fifteen (15) minutes of their Technical Pause.
- If thirty (30) minutes of total Technical Pause time is reached and the team is still not ready to resume, the map will be forfeited.
- A Team can only restart 1 map per match. Repeated map restarts are not allowed.

CCT reserves the right to deny any restart request, regardless of circumstances.

Abuse of this rule may result in penalties ranging from official warnings to disqualification, depending on the severity of the violation.

4.13.5. Forfeiting a match

In case a team forfeits a match, any unplayed maps are recorded as a 13:0 loss. The team winning a match as a result of a forfeit does not earn any round difference besides the maps that have been played to completion.

With the Tournament Officials permission the forfeiting team might proceed playing in the event unless they got eliminated as a result of the forfeit. Depending on the reasoning and the circumstances that led to the forfeit the Officials will issue an oral warning, a minor or a major warning, or a complete disqualification of a team.

Forfeiting multiple matches during a single event leads to a more significant penalty. Forfeiting a match might lead to a team not getting invited to the future CCT events.

4.14. Team Sponsorships

All team sponsors displayed on player shirts or other apparel must comply with applicable laws, Terms of Service of any broadcast platform (Twitch, YouTube, Kick), and the policies of Valve Corporation. Sponsors deemed, at the reasonable discretion of the organizers, to breach these requirements or to otherwise be inappropriate, may be required to be removed or concealed prior to participation in the tournament.

For avoidance of doubt teams must confirm approval with the Tournament Officials.

5. Game-specific Rules

5.1. Server settings

- Startmoney: \$800
- Maxround: 24
- Roundtime: 1m 55s (1.92)
- Freezetime: 20s
- C4 timer: 40s
- Timeout: 3×30 seconds each map
- Overtime:
- Best of 6 rounds - \$12.500 startmoney
- 1×30 seconds timeout per overtime

5.2. Match Platform

Matches will be hosted using a match platform selected by the TO. All participants shall ensure to have a registered account on the platform before signing up to the competition. All the participants should follow the platform rulebook unless it contradicts the Official CCT Rulebook

5.2.1. Game Server Location

The match platform will offer a selection of server locations available for the teams to choose from. Should a team be deemed to deliberately pick a location that puts the other team at a disadvantage or should the teams be unable to come to an agreement regarding the server location, the organizer reserves the right to select a location in good faith.

5.2.2. Available Server Commands

- .ready - set the team as ready to start the knife round or match, both teams must be ready
- .notready / .unready - set the team as not ready to start the knife round or match
- .stay - do not change sides after the knife round
- .switch / .swap - change sides after the knife round
- .tech - call for a technical pause
- .tac - call for a tactical pause
- .unpause - unpause the match, both teams must be ready
- .continue - continue the match after the round is restored

5.3. Map Pool

The following maps are used for the CCT tournament (Valve official versions). The map pool will follow the official Active Duty Map pool as defined by Valve, and therefore might be updated before each tournament phase.

5.3.1. Maps

CCT will utilise the Active Duty Map Pool as designated by Valve.

- Inferno
- Nuke
- Dust 2
- Ancient
- Mirage
- Overpass
- Anubis

5.4. Map Selection

Map veto is held on discord in the match channel 30 minutes before the scheduled start time with the teams assigned as Team A and Team B through coin toss.

5.4.1. Best-Of-One Map Veto

- Team A bans a map
- Team B bans a map

- Team A bans a map
- Team B bans a map
- Team A bans a map
- Team B bans a map
- The remaining map will be played.

5.4.2. Best-Of-Three Map Veto

- Team A bans a map
- Team B bans a map
- Team A picks a map (Team B picks side)
- Team B picks a map (Team A picks side)
- Team A bans a map
- Team B bans a map
- The remaining map will be decider. (Knife round will be played)

5.4.3. Best-Of-Five Map Veto

- Team A bans a map
- Team B bans a map
- Team A picks a map (Team B picks side)
- Team B picks a map (Team A picks side)
- Team A picks a map (Team B picks side)
- Team B picks a map (Team A picks side)
- The remaining map will be decider.

5.5. In-game Behavior

5.5.1. Forbidden Scripts and In-game Actions

The following actions are strictly prohibited during the tournament. Violations may result in penalties which can include, but are not limited to, warnings, fines, round losses, map forfeits, or match forfeits, depending on severity and the judgement of Tournament Officials.

1. Using pause during a round (except for technical problems at the end of a round or during freeze time).
2. Any form of script is forbidden excluding standard buy binds and jump-throw scripts.
3. Exploiting bugs that alter core game mechanics (e.g., spawn bugs).
4. Moving through walls, floors, or roofs, including skywalking.
5. Silent bomb planting (planting a bomb without the correct audio cue).
6. Planting the bomb in a way that makes it impossible to defuse.
7. Boosting with teammates is allowed unless it causes textures, walls, ceilings, or floors to become transparent or penetrable.
8. Throwing flashbangs under walls is not allowed. Throwing grenades over walls or roofs is permitted.
9. The use of any custom or modified game files.

5.5.2. Issues during the Match

If a match is interrupted for reasons beyond the control of the teams (e.g., player crash, server crash, or network failure), the Match Officials may order a round replay or match restoration under the following conditions:

1. Before the first kill of a round: The round will be replayed.
2. After the first kill of a round:
 - a. If the outcome of the round can be clearly determined, it will stand.
 - b. If the outcome cannot be clearly determined, the round will be replayed unless Tournament Officials decide otherwise at their discretion.
 - c. Teams must continue playing until instructed otherwise by Match Officials.
3. Start money and dropped players:
 - a. If a player disconnects and start money is applied, a round restore will be used to ensure the correct economy.
 - b. If the round restore fails, the demo file will be used to determine and correct the economy.
4. Unsuccessful round restore:
 - a. During the first three (3) rounds: If a server crash occurs during the first three rounds, the match will be restarted.
 - b. After the first three (3) rounds: If a crash occurs after the first three rounds, the match will resume from the latest valid round restore backup.
 - i. Any missing rounds will be emulated under Tournament Official supervision, with players replicating kills, purchases, and grenade usage as instructed.

5.5.3. Recordings

Players are not required to record in-game demos unless instructed by Tournament Officials. All matches will be recorded via GOTV.

Teams must use the official TeamSpeak server provided by the Tournament Organizer to ensure competitive integrity.

- Each team may have five players and one coach in their TeamSpeak channel during live gameplay.
- A manager, analyst, or assistant coach may join only during breaks between maps and must leave before the next map begins.

All voice communications will be recorded. These recordings will not be made publicly available. Teams may request access to their own voice comms, which will be provided through the Tournament Officials.

5.5.4. Anti-Cheat Ban

If any participant in the CCT receives a ban from the publisher's anti-cheat system (e.g., Valve Anti-Cheat) or any recognized tournament platform anti-cheat (e.g., FACEIT Anti-Cheat, Akros

Anti-Cheat), they will be immediately disqualified from all remaining matches of the Event. Tournament Officials may apply additional penalties if required to maintain competitive integrity.

5.5.5. Anti-Cheat

All players are required to use Akros Anti-Cheat (akros.ac) in order to join the match server. Participants must ensure that Akros is correctly installed, updated, and fully operational no later than the day before their first match.

Failure to comply may result in penalties, which may include warnings, fines, round or map forfeits, or disqualification, depending on the severity of the violation and the judgement of Tournament Officials.

6. Penalties and Warnings

Tournament Officials may apply penalties at their discretion when rules are violated. Penalties may include, but are not limited to: warnings, default losses, round or map forfeits, fines, or disqualification of a player or team from the tournament.

6.1. Warnings

A warning may be issued to a player or a team when a rule is broken. A warning issued to a player counts equally toward the team.

There are three types of warnings:

- Verbal Warning: No direct consequences, serves as an official notice.
- Minor Warning
- Major Warning: 3 (three) minor warnings will equal 1 (one) Major Warning

Examples of incidents that may result in a warning:

- Insults or harassment toward opponents or staff
- Disrespectful behavior toward administration
- Rule violations
- Delays without admin approval
- Unsportsmanlike conduct
- Falsifying match results
- Playing with an ineligible or disallowed player
- Misleading admins or other teams
- Cheating or using prohibited scripts/exploits
- Intentional abuse of game bugs

In severe cases, a major warning may be applied immediately.

6.2. Major Warnings and Disqualification

- A major warning can be triggered by the accumulation of three minor warnings or applied immediately in severe cases.
- Multiple major warnings may be applied simultaneously.
- Three major warnings will result in disqualification from the tournament.

Tournament Officials retain full discretion to adjust warnings and penalties to maintain competitive integrity and ensure fair play.

6.3. Forfeiting the Veto

If a team is repeatedly late to the veto or unresponsive during the veto process, and previously issued warnings have been ignored, Tournament Officials reserve the right to randomize the map picks and bans for the unresponsive team.

6.4. Penalties and Consequences for leaving CCT

6.4.1. Leaving during any phase

The CCT reserves the right to penalize teams that leave the competition, with penalties applied either immediately or at the next event in which the team participates within 365 days.

- Teams that leave or are disqualified during an ongoing stage, or between stages, forfeit all prize money earned in the current event.

Additional penalties may include suspension from future events or exclusion from invitations, particularly in cases of last-minute withdrawals.

6.4.2. Forfeiture of Matches

If a team leaves or is disqualified during any phase of the tournament, all current and future matches involving that team will be forfeited.

7. Code of Conduct

7.1. Competitive Integrity

Teams and participants are expected to compete at their highest level at all times, upholding sportsmanship, honesty, and fair play. Violations may result in penalties at the discretion of CCT.

7.1.1. Collusion

Collusion is any cooperation or conspiracy among Players, Teams, and/or Organizations to cheat, deceive, or gain unfair advantage. Examples include, but are not limited to:

- Soft play: Agreement among Players to not compete at a reasonable standard.
- Pre-arranging prize money or compensation distributions.

- Sending or receiving external signals to influence gameplay.
- Deliberately losing a Game for compensation or other benefits.
- Conspiring to predetermine locations for Free Agents and/or conspiring to fix the salaries of contracts for Team Members and/or potential Team Members.

7.1.2. Cheating and Exploiting

- Hacking or modifying the game client.
- Exploiting in-game bugs to gain an advantage.
- The use of any kind of cheating device and/or cheat program, or any similar cheating method.
- Using another Player's account ("ringing").
- Using any prohibited scripts, cheats, or external devices.
- Looking at spectator monitors or similar unfair advantages.
- Intentional disconnections without valid, explicitly stated reasons.

7.2. Responsibility under the Code

All participants are responsible for their actions during the tournament. This includes:

- Intentional and unintentional offenses: All rule violations, attempts to commit violations, or actions that undermine tournament integrity are punishable.
- Harassment: Systematic or repeated hostile acts targeting an individual or group, or a single egregious act that demeans or ostracizes.
- Sexual harassment: Unwelcome sexual advances, coercion, threats, or promises of advantage in exchange for sexual favors.
- Discriminatory behavior: Any contemptuous or denigrating actions based on race, ethnicity, gender, religion, sexual orientation, political opinion, or other protected status.
- Compliance with law: Participants must not engage in activities prohibited by law that could lead to conviction.

7.3. Employment and Contract Conduct

Participants and team affiliates must maintain professional integrity regarding contracts and employment:

- May not solicit, hire, or induce Head Coaches or Players under contract with another CCT team.
- May express intent to leave a Team publicly, but may not directly encourage Teams to breach contracts.
- Violations may result in warnings, fines, match forfeits, or disqualification at the discretion of Tournament Officials.

7.4. Match and Game Integrity

Participants must preserve the integrity of every match:

- May not offer, agree, or conspire to influence the outcome of a Game or Match in any unlawful or prohibited manner.
- Must comply with all requests from Tournament Officials for documentation, demos, or verification.
- Failure to comply may result in warnings, fines, forfeits, or disqualification.

Annex 1 Country List

North America	South America	Europe		
Antigua and Barbuda	Argentina	Albania	Armenia	Austria
Bahamas	Bolivia	Azerbaijan	Belarus	Belgium
Barbados	Brazil	Bosnia and Herzegovina	Bulgaria	Croatia
Belize	Chile	Cyprus	Czech Republic	Denmark
Canada	Colombia	Estonia	Finland	France
Costa Rica	Ecuador	Georgia	Germany	Greece
Cuba	Falkland Island	Hungary	Iceland	Ireland
Dominica	French Guiana	Italy	Kazakhstan	Kyrgyzstan
Dominican Republic	Guyana	Kosovo	Latvia	Lithuania
El Salvador	Paraguay	Luxembourg	Malta	Moldova
Grenada	Peru	Netherlands	North Macedonia	Norway
Guatemala	Suriname	Poland	Portugal	Romania
Haiti	Trinidad and Tobago	Russia	Serbia	Slovakia
Honduras	Uruguay	Slovenia	Spain	Sweden
Jamaica	Venezuela	Switzerland	Tajikistan	Turkey
Mexico		Turkmenistan	Ukraine	United Kingdom
Nicaragua		Uzbekistan
